Dear Parents/Guardians,

We wanted to thank everyone for their cooperation and understanding as we re-open our centers. We are pleased with how things have gone so far. We wanted to inform you that due to staff vacations, the Governor's travel quarantine recommendation, and the potential for staff illnesses, there is a possibility that we would need to close a classroom or an entire center because of lack of staffing. Should we have to make the decision to close a classroom or a center, we will let you know as soon as possible to give you as much notice as possible. We are working diligently to ensure that we do not have to do this, but we want you to be prepared with back up child care in the event that this happens.

Sincerely,

Seton Hill Child Services Management
